La detección temprana en la primera infancia respalda la preparación de los niños para el jardín de infantes y promueve la salud y el desarrollo.

La ley exige la evaluación temprana de la infancia antes de que un estudiante pueda asistir al jardín de infantes público.

Le dépistage précoce chez les jeunes enfants contribue à préparer les enfants à l'entrée à la maternelle et favorise leur santé et leur développement.

Le dépistage précoce est obligatoire avant qu'un enfant puisse fréquenter une maternelle publique.
