CHOOSING A CHILD CARE PROVIDER

As a parent who uses Licensed Family Child Care, you entrust your child to a care provider often for many hours each day. It is important for licensed providers to supply a caring, safe environment for every child. A child care license helps to protect the health and safety of children. A License indicates that **minimum standards** have been met and requires providers **to maintain certain minimum standards of care. It is not a guarantee of quality child care.**

The Department of Human Services can disclose limited information concerning complaints against licensed providers. **Contact the Mower County Family Child Care Licensor for this information: Brady Engelby at 377-5511** or research MN Licensed providers at <https://licensinglookup.dhs.state.mn.us/>

PLEASE CONTACT THE FOLLOWING TO DETERMINE WHICH PROVIDERS HAVE CURRENT OPENINGS FOR YOUR CHILD. Mower County Licensed Daycare Association Referral: Joann Rollie at 507-433-3764
