

Step 1: Reflect on Your Experience

Think about your time at CareerQuest and answer the following questions:

- What was the most interesting thing you learned?

- What career or business stood out to you the most? Why?

- Did you discover any new career paths you hadn't considered before? If so, what?

- What skills or education are needed for the careers that interest you?

- What questions do you have that you didn't get a chance to ask, or didn't think of?

Step 2: Explore Your Future with JA Connect

Are you ready to explore your career path, set your goals, and gain essential skills? JA Connect has everything you need to start building your future today! Dive into these tools and resources designed just for students like you.

Discover Your Career Match with JA Connect

JA Connect's 'My Career' section lets you match your interests with potential careers, explore what skills are in demand, and see how your goals can align with real-world opportunities!

Here's what you'll find in 'My Career':
